Payment

Tuition is due at the beginning of the month. Scheduling and lesson payment go through FONS. You will receive an invitation to put a credit card on file to pay for your lessons.

To help you budget for your lessons, I have divided the payments equally over 9 months. This regularity helps families stay on top of their expenses. This fee includes all lessons and my time for two recitals during the 9 months.

\$169 for 30-minutes
\$250 for 45-minutes
\$333 for 60-minutes

I will be gone to teach ukulele on a cruise in October. These fees take my absence into account. If I miss a lesson, I will reschedule your lessons or credit your next month's bill.

Arrival and Pick-Up

Please park in my driveway or on McGovern Street. There is no parking on Deerfield Rd. Come to the back door for lessons.

Missed Lessons

If you must miss a lesson, please let me know at least 24 hours in advance. You can email me and I will try to reschedule. I can also schedule an online lesson if a student is sick. Or, you can send me a video of the music you've been working on and I will send you a video response for you to work on for your next lesson.

Withdrawal & Extended Absences

Please consult with me if you are considering discontinuing lessons to make sure there are no areas that can be resolved. If you still decide to withdraw, **one month's notice is expected and appreciated**. Out of respect for me and my business, please don't let me know of withdrawal the day tuition is due and not show up. One month is appreciated so I have adequate time to fill the spot.

Recitals & Group Lessons

There will be at least 2 recitals every year.
